Estimated Departure from San José: 6:00 am Estimated Return to San José: 8:00 pm

This excursion departs from San José very early in the morning towards Puntarenas where you will board the yacht to Tortuga (Turtle Island), a beautiful island located in the Gulf of Nicoya, Central Pacific Coast of Costa Rica.

At Tortuga Island you will experience a day full of beautiful skies, great ocean views and live music. On board the yacht tropical fruits and natural drinks will be served and at the island there will be time to explore the surroundings, sunbathe, swim, take an optional tour like kayaking and canopy; and enjoy a delicious lunch prepared by the crew.

Tortuga Island has an area of 120 hectares with 4 main hills, and a 500 meter beach granted with the blue flag certification. On the way to Tortuga Island you will see the San Lucas Island which in the past was a security prison where no human rights existed, a dark age in Costa Rica's history.

The journey to Tortuga Island will be on board a yacht with 2 Cummins Marino 300 HP motors, radar, satellite navigation systems, VHF marine radio, bathrooms and drinking water.

Bay Island is committed not only to give you a enjoyable journey but also a safe trip, the yacht's captain has more of 10 years of experience and an international maritime license and the crew is trained for emergency situations.
