Costa Rica provides White Water Rafting experiences that take your adrenaline to top levels and fascinating Canopy Tours going high above the treetops. Now you can enjoy the two activities in an extraordinary way. Discover the natural marvels of Sarapiquí; an extensive territory located in the northeastern parts of the country, with a variety of crystal clear rivers, an abundance of beautiful tropical forests and villages inhabited by friendly and laborious people.

Leaving San José the tour traverses the majestic scenery of Braulio Carrillo National Park and arriving in Sarapiquí we will enjoy two adventurous attractions: the Canopy Tour in the middle of a secondary forest with trees of high altitude and after lunch the White Water Rafting in the agitating waters of the Sarapiquí River.

The Canopy Tour takes about an hour and a half and the nine cables of different length stretch over the forest with the last one crossing the Sarapiquí River.

The rafting at Sarapiquí River has different levels between class II and class III, presenting vibrant scenery to those who want to participate in this exciting activity. Nine miles of unexpected rapids in combination with calm and relaxing intervals makes this an unforgettable experience for bird watchers and nature lovers.
